AT THE THEATERS THIS WEEK

LYRIC THEATER.

All this week with daily matinees, audeville and pictures.

WHIRL OF SUMMER GAYETY DEFIES RISING TEMPERATURES Seasonable frivolity will defy August temperatures at the Lyric this week. Manager Charles W. Rex is bringing in two typical Keith summer shows. There are many novelties in the list of attractions announced and laughter inducing diversions predominate acceptance. ng diversions predominate in each the two new bills.

One of the gayest, sprightliest singing, dancing and comedy frolics of the year, the Revue De Luxe, is listed for the opening show. Rollicking lassies, funny comedians and a nilarious accompaniment of jazz music make of the Revue De Luxe a veritable loy carnival. The piece is full of non-sensical fun and the lightest, brightst. lilting, jingling melodies. There s a capital sextette, rendering the atest jazz numbers and the action is ast from start to finish. The Revue Luxe is handsomely staged and

smartly acted.

Charles Wilson, former musical comedy star, who is now "going it alone," with his quaint monologue and parodies, is on the same bill ison is a versatile entertainer and he has scored the success of his career as a vaudeville artist. The picture reveals a beautiful love story, but its prime purpose is to show how war has leveled all ranks and awakened the so-called leisure classes of the British empire to the needs of their country. The various roles are in the hands of notable screen players, including Robert Harron, Henry Walthall and Lillian Gish.

Charlotte at Bluebird.

A great treat is in store for the film fans at the Bluebird Theater next Wednesday, Thursday and Friday, when Charlotte, the famous queen of the ice, who created a sensation when York Hippodrome, appears in the appealing photoplay in six parts, "The Frozen Warning." She cuts fancy figures and pirouettes on the tip of one skate and twirling so fast with-out moving her position on the ice that she resembles a top. She clearly demonstrates her rights to be heralded as the most spectacular skater the world has discovered. "The Frozen Warning" is a novelty, as it intro-duces Charlotte in her art to the
